

PMP Practical Track

Duration: 10 Days, 60 hrs

Track Overview

Integrated track takes you from the basics of Project Management through an interactive Project Management Workshop which helps applying the concepts taught in the Practical Project Management Workshop by working on well-equipped templates. Lastly, the PMP Exam Preparation Workshop puts you in the exam atmosphere, and provides lots of exam tips & tricks which help you to pass the PMP exam and obtain the certificate from first trial

Your Benefits

By attending this Track you:

- Understand the PM concepts and Obtain the PMP Certificate from the first Trial*
- Minimize the studying hours to the minimum

3 Courses in one integrated Track

1 Project Management Awareness Workshop

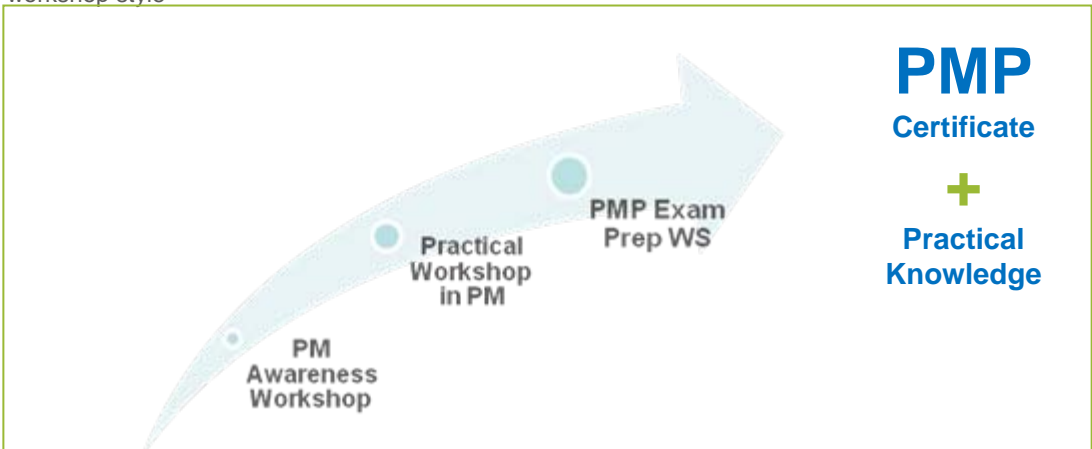

To provide you with an overview about project management and how it can benefit you and your organization

2 Practical Workshop in Project Management

To provide you with the PM foundations and concepts in a practical workshop environment which allows you to directly practice the studied PM concepts using ready-to-use templates that can also be utilized in your daily practice

3 PMP Exam Prep Workshop

To enhance the PMP® aspirant chances to pass the exam from first trial in an interactive practical workshop style
